A new division chair for **Nature and Creative Slides** was announced: Nancy Johnson of Berkeley. She will serve in 2008.

President Stahlke announced that N4C had purchased the electronic voting machine for \$238 which was subsequently used very successfully at the December Annual Competition.

Treasurer's Report: The total in all accounts was \$8907.63 as of November 30. A motion passed to remove \$1000 from a \$3000 CD to cover imminent expenses at a \$40 penalty. Upon maturity in March, the remaining funds will be placed in the checking account. Seven clubs have donated \$25 toward the Annual Banquet raffle.

Vice-President's Report: Nominating Committee was still missing a VP and Secretary for 2008. Bob Rogers was nominated for President and Teri Schoech for Treasurer.

Winner's certificates are now available. The position of **PI Advisor** was eliminated.

EI Coordinator: Gene Albright reported that there would be 640 electronic images and 40 slides to be judged on December 15th.

Webmaster: Shopzilla requested to change its advertising support from a set fee to a pay per click. Wayne is investigating this.

THE CATEGORY DESIGNATED "BEGINNER" (B) HAS BEEN CHANGED TO "BASIC." beginning in January when the new Competition Rules will be published.

Joan Field will be the new FotoClave Trustee, replacing Ellie Webster.

Gene Morita suggested a mentor program for new members. He also recommended **John Isaac** as a possible fundraising speaker for N4C.

Palo Alto will be asked if they would like to actually participate in N4C competitions.

CORRECTING PROBLEM IMAGES

Here we learn techniques that allow you to get fine prints and electronic images even from photos that start out too flat, too contrasty, with a strange color cast or having some other difficult problem to solve.

ESSENTIAL PHOTOSHOP TECHNIQUES

Come see the fine level of finesse that Barry's techniques can apply to give images that extra special artistic quality.

IMAGE PROCESSING WITH BRIDGE

(Photoshop CS2 or CS3). Setting up Bridge preferences and Camera Raw automatic adjustments.

Understanding, sorting and archiving RAW files. Using Bridge's automating features and Photoshop Batch/action to selected files, among other topics..

In addition there will be even more Photoshop techniques including **Compositing Bracketed Photos** and **Taking and Combining Images for Panaramas**.
