 Member of the Photographic Society of America N4C Incorporated 1952

Top 10 Signs You Are Obsessed With Photography

- 10. You can actually tell what kind of camera someone is using from over 30 feet away.
- 9. You have tried to claim "Photoshop" as a medical expense because it's good therapy.
- 8. When planning a vacation, your main concern is finding a hotel that offers wifi so you'll be able to upload your photos to the web, daily.

- 7. You own more than one camera bag even though you only have one camera.
- 6. You refer to cleaning up after dinner as "post-processing the kitchen."
- 5. You can't remember the date of your best friend's birthday, but you know all the specs of your camera and lenses by heart.
- 4. When attending a wedding, you are more interested in what the photographer is doing than what the bride and groom are doing.
- 3. When you see a photo of a model, you find yourself more interested in what lighting was used and how much processing may have been done.
- 2. You understand that 22 is actually smaller than 5.6
- 1. When gazing upon a beautiful landscape you think to yourself, "That's lovely, but it could use just a bit more saturation!"

*The Colors of
Fall in
California
State Parks*

http://www.parks.ca.gov/?page_id=23487

The weather is getting colder and the beautiful Fall colors are starting their yearly show. It's time to go in search of the yellows, reds, browns, and golds in the trees and bushes.

Of course there are many more places to visit including Yosemite, but here are some other sites for ideas. Call ahead to check on park conditions.

Northern California

[Ahjumawi Lava Springs State Park](#) (SHASTA COUNTY), northeast of Redding, (530) 335-2777 or 225-2065.

[Annadel State Park](#) (SONOMA COUNTY), east of Santa Rosa, (707) 539-3911 or 938-1519. The park has big leaf maples near creeks that have turned yellow in some areas, due to stress from lack of rainwater. The park also has some black oaks.

[Auburn State Recreation Area](#) (PLACER and EL DORADO COUNTIES), northeast of Sacramento, (530) 885-4527.

[Bodie State Historic Park](#) (MONO COUNTY), seven miles south of Bridgeport, (760) 647-6445.

[Bothe-Napa Valley State Park](#) (NAPA/SONOMA COUNTIES), four miles north of St. Helena on Highways 29/128, (707) 942-4575 / 938-1519. The park is known for its big leaf maples. There are also black oaks.

[Calaveras Big Trees State Park](#) (CALAVERAS and TUOLUMNE COUNTIES), on Highway 4, four miles northeast of Arnold, (209) 795-2334.

[Castle Crags State Park](#) (SHASTA and SISKIYOU COUNTIES), six miles south of Dunsmuir, (530) 235-2684.

[Castle Rock State Park](#) (SANTA CRUZ and SANTA CLARA COUNTIES), in the Santa Cruz Mountains, (408) 867-2952.

[Clear Lake State Park](#) (LAKE COUNTY), north of Calistoga, (707) 279-4293. The park features black oaks.

[Ed Z'berg - Sugar Pine Point State Park](#) (EL DORADO COUNTY), south of Tahoe City, (530) 525-7982 or 525-7232. Some of the best color in the Tahoe area can be found along Highway 89 from South Lake Tahoe to Sugar Pine Point State Park.

[Grover Hot Springs State Park](#) (ALPINE COUNTY), south of Lake Tahoe, three miles west of Markleeville on Hot Springs Road, (530) 694-2248 or 525-7232.

[Henry W. Coe State Park](#) (SANTA CLARA & STANISLAUS COUNTIES), 30 minutes from Morgan Hill and U.S. 101 via East Dunne Avenue, (408) 779-2728. October is usually the best month to enjoy the colors in this park. Forests on the north-facing slopes have many deciduous trees. Big leaf

maples turn bright yellow and black oaks can include some reds. California buckeyes split their leathery husks and display shiny brown nuts that gave them their name.

[Humboldt Redwoods State Park](#) (HUMBOLDT COUNTY), south of Eureka on Highway 101 and Avenue of the Giants, (707) 946-2409. The park has big leaf maples, Oregon ash, dogwood, black oaks, red alder, white alder, cottonwood – and poison oak.

For more information, check the website at

<http://www.humboldtredwoods.org/>

[Lake Oroville State Recreation Area](#) (BUTTE COUNTY), seven miles east of Oroville, (530) 538-2219.

[McArthur-Burney Falls Memorial State Park](#) (SHASTA COUNTY), northeast of Redding, six miles north of Highway 229 on Highway 89 near Burney, (530) 335-2777. Best time to see the changing colors in this park is usually mid-October. Look for big leaf maple, various deciduous oaks, redbud, California black oak, Oregon white oak, white alder, Pacific dogwood, Oregon ash, vine maple, buck brush, deer brush, red flowering currant, and squaw bush.

[Plumas-Eureka State Park](#) (PLUMAS COUNTY), four miles west of Graeagle, (530) 836-2380.

[Prairie Creek Redwoods State Park](#) (HUMBOLDT & DEL NORTE COUNTIES), north of Eureka, along the Newton B. Drury Scenic Parkway, (707) 464-6101, extension 5301. The primary fall colors here are big leaf maple, vine maple – and poison oak.

[Sinkyone Wilderness State Park](#) (HUMBOLDT & MENDOCINO), access is north from Fort Bragg via Highway One and County Road #432, or west from Garberville/Redway via the Briceland Road. Roads are suitable for 4WD vehicles only. After rain, roads can be just about impassable and 2WD vehicles are definitely not advised. Visitors are advised to check on local conditions. (707) 986-7711.

[South Yuba River State Park](#) (NEVADA COUNTY), off Highway 49, five miles north of Nevada City, (530) 273-3884.

[Woodson Bridge State Recreation Area](#) (TEHAMA COUNTY), northwest of Chico, (530) 839-2112.

The park has primarily valley oaks.

Lucky fellow is on vacation
in Utah!

DVCC is Moving! Judges make a note!

Diablo Valley Camera Club is moving to a new location! Our **November 10th meeting** will be held at the First Congregational Church here in Martinez at 1229 Court Street in the Pilgrim Hall.

For directions, go to

<http://www.fccmtz.org/Directions.html>

Euclid Viegas –

Euki's Corner

Fixing an over exposed image

Open your photo and make a copy of the Background Layer.

In the Layers palette change the Blend Mode of the new layer from Normal to Multiply.

Repeat the entire procedure again. Create a new layer, change the blend mode to multiply, and then take a look at the result. Continue doing this until you go from "it's almost perfect" to "it's ruined!"

Now leave that last layer active even though it's taken you too far and lower the Opacity using the slider at the top right of the layers palette. This lowers the intensity of the effect. When you've found the right amount, you can flatten your image.

Flatten And Save

Would you like to have a column in our Foto FanFare? Just email me your column and maybe a photo so we know who you are to fotofanfarenewsletter@yahoo.com and in it will go!

N4C Board Meeting October 11, 2010

President's Message:

Tom Debley presiding.

A lengthy discussion was held regarding a letter received by the Board that pertained to a photograph that was used as an example at a N4C event without the permission of the maker. This occurred because the lack of any objection by the Board to its use was interpreted by the judges chair to be assent when use of the photograph as an example was suggested. A formal apology will be mailed to the maker of the print. The print will compete at the annual N4C judging event and will be judged by judges who have not previously seen the print. The maker will be offered the opportunity to change the title if the maker so desires.

Vice President's Report:

Annual banquet reserved for January 9th, 2011.

\$200.00 deposit for banquet needed from Teri. John will talk to Teri regarding menu for the banquet.

John suggested no raffle this year at the banquet and only have door prizes. The raffle at past banquets has been too time consuming. Joe Hearst motioned that we eliminate the annual banquet raffle. Ed Mestre seconded the motion.

John then made a suggestion of increasing the banquet tickets by \$3 to cover the money that is typically raised from the raffle. Joe motioned that we add \$3 to each

banquet ticket. Ed seconded the motion.

The motion was carried to eliminate the raffle and increase the banquet tickets by \$3.

Secretary:

Minutes for September were read and approved.

Treasurer's Report:

PSA membership was accidentally paid for 3 years.

Previous Checking Account Balance: 8/31/2010

\$ 3,446.62

Income: 0

Total Expenses: PSA Membership \$113.00

Checking Account Balance: 9/30/2010 \$ 3,333.62

CD Balances 9/30/2010 \$ 5,268.29

Total Cash Assets: \$ 8,601.91

Judges Chair:

Joe Hearst said that two voting machines are needed for annual judging on Dec. 18th. Joan Field and Gene Albright each have a voting machine that can be used for the annual judging. John Goyer will bring coffee and food to annual judging.

Joe said that we have 11 judges for the annual judging and 9 are needed, but we should have 10 to be on the safe side. One judge will be notified not to attend.

October Print judge is Robin Braunfeld, Projected Images is Bob Schmeideskamp.

November print judge is Pat Prettie.

Joe motioned that John Goyer should be made an interclub judge. The motion was seconded and carried.

Joe asked the board for names of people that we think should be interclub judges.

Teri suggested that Joe email a list of current interclub judges to us so we can nominate judges to the inter-club level.

EI Coordinator:

Gene Albright said that Rossmoor has not submitted their data information for their winning prints for the beginning of October.

Print Chair:

Gene Morita was not present.

Webmaster:

Wayne Miller not present.

Gene Albright said that Sam Bergin is interested in the Webmaster position. Gene will contact Wayne to set up a meeting and will also include Teri and himself.

Foto Fanfare Editor:

Amory Donaldson was not present, but the October FanFare was emailed.

PSA:

Joe Hearst brought the new journal.

Joan Field said that she attended this year's PSA conference. The top award was given to Art Wolfe.

FotoClave:

Secretary still needed for the FotoClave committee for 2011.

Location for FotoClave is set.

Presenters are needed for FotoClave 2011.

New Business:

Tom Debley thanked everyone for supporting the Seth Resnick event.

Meeting adjourned at 9:05pm.

N4C Website Photo Club Services <http://n4c.photoclubservices.com>

Foto Fanfare is the official publication of N4C, the Northern California Council of Camera Clubs, a federation of 11 Camera Clubs located in the greater Bay Area. Its goals are to hold monthly competitions among member clubs and present special informative programs whenever possible.

Any articles, letters to the editor or editorial comments are the opinions of the authors, and not official N4C policy.

Articles or other information published in Foto FanFare may be copied for camera club use, provided proper credit is given.

N4C Mission Statement

To promote a spirit of voluntary cooperation among the camera clubs of Northern California. To sustain and increase an interest in the science and art of photography among photographers of said area. To promote social and educational programs for the benefit of member clubs. To create and maintain a representative body which will serve the best interests of all member clubs and groups and attempt to provide workable solutions to their individual and collective problems. To provide services and facilities for the use and benefit of the member clubs.

Happy Thanksgiving!!!

Have a delicious Thanksgiving!

Be thankful for all that you have, get to do, and know.

Life is good and every day is a gift to be enjoyed!
